AROUND YOUR LIBRARY!

Parmly Billings Library NEWSLETTER—No. 56, August 2012

We have broken ground! Thank You—Everyone!

Groundbreaking attendees outline the footprint of the NEW Parmly Billings Library.

One Book Billings is back! Pick up a book for the September One Book Billings discussions that take place the week of September 10 all around the Billings area. The first book is ***Ride the Jawbone*** by **Jim Moore**. Set in central Montana, a young lawyer must defend a horrible man accused of a dreadful crime. This legal drama is wrapped around the history of a developing land and the conflicts between ranches, railroads and remarkable characters.

Starting Monday, August 13, sign up for a discussion and get a free copy of the book, courtesy of the Friends of the Library. Call 657-8258 or visit the Reference Desk.

Summer Reading SUCCESS!

The Library's exciting **2012 Summer Reading Programs** began in June and concluded on July 26 with an Open House. 2,000 area children, young adults and adults registered and read for over 50,000 hours making this very successful! Children and young adults earned chances for prizes by reading and doing various other activities. They also earned t-shirts, book bags and other prizes. Activities included story times, making rockets, visits, book discussions and programs held at a variety of locations around Billings. Many thanks to our friends at the Huntington Learning Center for providing great programs at the Community Library at City College! Story times, along with weekly programs, were enjoyed by all. For a list of our generous sponsors please visit our website at www.billings.lib.mt.us. **Thank you everyone—readers, parents, sponsors—for another great summer.**

Neither the hot summer months nor the disruptions with parking and noise from the heavy earth moving equipment have caused any marked decrease in the number of daily users coming to the Library. This is a great testimonial to the important role that the Library plays in our community and surrounding area. Having free access to the many services, programs and resources that the Library offers is part of our daily way of life.

On June 28, we celebrated the Groundbreaking for the NEW Library. Many thanks to everyone who attended this exciting event and was part of the historic photograph of our Library's footprint. As the construction of the new building moves forward, the Foundation

is continuing its efforts to raise critical dollars for enhancements in the Children's Reading area, the Teen Area and Technological applications. Building a new library is a once-in-a-lifetime opportunity, and we are proud and excited to be a part of this endeavor.

As you drive down 6th Avenue, you will be able to see the daily progress of the building process. These are indeed exciting times for all of us. Your support of the Library has made this all possible. **THANK YOU!**

For more information about the Foundation and how you can help, contact **Leslie Modrow**, Foundation Director, at 237-6149 or leslie@billingslibraryfoundation.org.

It was gratifying to welcome so many SummerFair-goers to the tent shared by the Friends and the Library and to witness the enthusiasm displayed as they searched for the perfect book (*more accurately, books!*) for their summer reading pleasure.

Remember that equally great variety and prices are available in the **Book Nook**, housed under the Library's staircase, and at the **Friends' 1st Wednesday Book Sales**. In August, the Book Nook highlights travel; additionally, pre-2000 hardcover fiction is specially priced at just 50¢.

The Friends proudly joined with Parmly Billings Library and others around the state in donating books to replenish libraries destroyed in a devastating cyclone that hit the Asian country of Myanmar in 2008.

If the high price of **reference material** keeps your personal library from being well-stocked, consider rounding out your collection from the Friends' reference section where everything is priced at one dollar. So what if the dictionary, atlas or almanac is a few years old? How many new words or countries have been added to later editions? Very few. You'll also find *PDRs (Physicians Desk Reference)*, *Roget's Thesaurus*, collections of synonyms and antonyms and many more topics that will be described in a later column.
