RESOLUTION NO. 03-17982

RESOLUTION RELATING TO \$1,196,000 POOLED SPECIAL IMPROVEMENT DISTRICT BONDS, SERIES 2003C (SPECIAL IMPROVEMENT DISTRICT NOS. 1349 AND 1354); FIXING THE FORM AND DETAILS AND PROVIDING FOR THE EXECUTION AND DELIVERY THEREOF AND SECURITY THEREFOR

BE IT RESOLVED by the City Council (the "Council") of the City of Billings, Montana (the "City"), as follows:

Section 1. Recitals. It is hereby found, determined and declared as follows:

1.01. Resolutions of Intention. By Resolution Nos. 02-17864 and 02-17826, adopted July 22, 2002 and April 22, 2002, respectively (collectively, the "Resolutions of Intention"), this Council declared its intention to create Special Improvement District No. 1349 ("SID No. 1349") and Special Improvement District No. 1354 ("SID No. 1354"), respectively (collectively, the "Districts"), for the purpose of financing costs of certain public improvements of special benefit to the properties within the Districts. Each of the Resolutions of Intention designated the number of the District, described the boundaries thereof, stated whether the District was an extended district and stated the general character of the improvements to be made (collectively, the "Improvements") and an approximate estimate of the costs thereof, in accordance with the provisions of Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended (the "Act"). By each Resolution of Intention this Council also declared its intention to cause the cost and expense of making the Improvements specially benefiting a District to be assessed against the properties included within the boundaries thereof in accordance with one or more methods of assessment authorized in Montana Code Annotated, Sections 7-12-4161 to 7-12-4165 and as set forth in the Resolution of Intention.

In the Resolutions of Intention, this Council further found that it is in the public interest, and in the best interest of the City and the Districts, to secure payment of principal of and interest on the Bonds by the Special Improvement District Revolving Fund of the City (the "Revolving Fund"), on the basis of factors required to be considered under Section 7-12-4225 of the Act. Those findings are hereby ratified and confirmed.

1.02. Notices. Notices of the passage of each of the Resolutions of Intention were given by two publications, with at least six days between publications, the first no more than 21 days prior to the hearing and the last no less than three days prior to the hearing, in The Billings Times, a weekly newspaper of general circulation published within the City. Notices of the passage of each of the Resolutions of Intention were also mailed the same day the notice was first published to all persons, firms or corporations or the agents thereof having real property within each District, listed in their names upon the last completed assessment roll for state, county and school district taxes, at their last known addresses. The notices for each District described the general character of

the Improvements, stated the estimated cost of the Improvements and the method or methods of assessment of such costs against properties in each District, specified the time when and the place where the Council would hear and pass upon all protests made against the making of the Improvements or the creation or extension of such District, and referred to the appropriate Resolutions of Intention as being on file in the office of the City Clerk for a description of the boundaries of the District, all in accordance with the provisions of each Resolution of Intention, and included a statement that, subject to the limitations of Section 7-12-4222 of the Act, the general fund of the City may be used to provide loans to the revolving fund or a general tax levy may be imposed on all taxable property in the City to meet the financial requirements of the revolving fund.

1.03. Creation of Districts. At the times and places specified in the notices hereinabove described, this Council met to hear, consider and pass upon all protests made against the making of the Improvements and the creation of each of the Districts, and, after consideration thereof, it was determined and declared that insufficient protests against the creation or extension of each of the Districts or the proposed work had been filed in the time and manner provided by law by the owners of the property to be assessed for the Improvements in the respective Districts, and this Council did therefore by Resolution Nos. 02-17869 and 02-17829, adopted August 12, 2002 and May 13, 2002, respectively, create SID No. 1349 and SID No. 1354, respectively, and order the proposed Improvements in each District in accordance with the applicable Resolution of Intention. In the resolutions, the Council also declared its intention to reimburse the City for costs paid before issuance of the Bonds, as required by Section 1.150-2 of the Income Tax Regulations promulgated under the Internal Revenue Code, and confirmed the findings it made with respect to the pledge of the Revolving Fund in the Resolutions of Intention.

1.04. Construction Contracts. The Districts will construct certain Improvements as described in the Resolutions of Intention. Plans, specifications, maps, profiles and surveys for construction of the Improvements to be constructed by each District were prepared by the engineers acting for the City, and were thereupon examined and approved by this Council. Advertisements for bids for construction of the Improvements were published in the official newspaper of the City in accordance with the provisions of Montana Code Annotated, Section 7-12-4141, after which the bids theretofore received were opened and examined. After referring the bids to the engineers for the City it was determined that the lowest regular proposals for the furnishing of all work and materials required for constructing the Improvements in accordance with the approved plans and specifications were the following:

SID No. 1349:

<u>Work</u>	<u>Bidder</u>	<u>Contract Price</u>
Curb, Gutter, Sidewalk, Street,	Schedule I – Paradise Excavating	\$272,500.00

Storm Drain, and Water and Sanitary Sewer Improvements	Schedule II – H.L. Ostermiller	\$542,305.20
--	--------------------------------	--------------

SID No. 1354:

Curb, Gutter, Sidewalk, Street, Storm Drain, and Water and Sanitary Sewer Improvements	Schedule I – Western Municipal	\$400,717.50
	Schedule II – JTL Group, Inc.	\$968,255.20

Contracts for the construction of the Improvements were therefore awarded to said bidders, subject to the right of owners of property liable to be assessed for the costs thereof to elect to take the work and enter into written contracts therefor in the manner provided by Montana Code Annotated, Section 7-12-4147, which election the property owners failed to make, whereupon the City and the successful bidders entered into written contracts for construction of the Improvements upon the bidders having executed and filed bonds satisfactory to this Council and in the form and manner provided by Montana Code Annotated, Title 18, Chapter 2, Part 2, as amended. Prior to the call for the sale of the Bonds, property owners in both the Districts elected to prepay their pro rata share of the costs of the Improvements, and the City made contributions to the costs of the Improvements resulting in a reduction in the principal amount of Bonds required to complete the Improvements and pay costs associated with the sale and issuance of the Bonds.

1.05. Costs. It is currently estimated that the costs and expenses connected with and incidental to the formation of the Districts to the City to be assessed against properties in the Districts, including costs of preparation of plans, specifications, maps, profiles, engineering superintendence and inspection, preparation of assessment rolls, expenses of making the assessments, the cost of work and materials under the construction contracts and all other costs and expenses, including the deposit of proceeds in the Revolving Fund, are \$1,196,000. Such amounts will be levied and assessed upon the assessable real property within each of the Districts on the basis described in the Resolutions of Intention. This Council has jurisdiction and is required by law to levy and assess such amounts, to collect such special assessments and credit the same to the special improvement district funds created for each District, which funds are to be maintained on the official books and records of the City separate from all other City funds, within the 2003C Pooled Special Improvement District Sinking Fund (the "Sinking Fund") for the payment of principal and interest when due on the bonds herein authorized.

1.06. Sale and Issuance of Bonds. For the purpose of financing a portion of the costs and expenses of making the Improvements, which are to be assessed against the property within each District as provided in the Resolutions of Intention, pursuant to Resolution No. 03-17974, adopted April 14, 2003, this Council determined that the issuance and sale of bonds in a pooled single offering was in the best interests of the City and the Districts and would facilitate the sale of the bonds at lower interest rates.

This Council then called for the public sale of bonds in the total aggregate amount of \$1,196,000. This Council authorized the City to enter into a contract with RBC Dain Rauscher of Chicago, Illinois (the "Purchaser"), as the lowest responsible bidder pursuant to which the Purchaser agreed to purchase from the City the Bonds at a purchase price of \$1,172,080, plus interest accrued thereon from the date of original issue of the Bonds, at the rates of interest set forth in Section 2.01 hereof and upon the further terms set forth in this resolution resulting in a net effective interest rate of 4.0534% per annum and a total interest cost of \$411,648.75.

1.07. Recitals. All acts, conditions and things required by the Constitution and laws of the State of Montana, including Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended, and the home rule charter of the City, in order to make the Bonds valid and binding special obligations in accordance with their terms and in accordance with the terms of this resolution have been done, do exist, have happened and have been performed in regular and due form, time and manner as so required.

Section 2. The Bonds.

2.01. Principal Amount, Maturities, Denominations, Date, Interest Rates. For the purpose of paying the costs and expenses incurred in construction of the Improvements, and in anticipation of the collection of special assessments to be levied therefor, and in accordance with the proposal described in Section 1.06, the City shall forthwith issue and deliver to the Purchaser the Bonds payable solely from the Sinking Fund and denominated "Pooled Special Improvement District Bonds, Series 2003C (Special Improvement District Nos. 1349 and 1354)". The Bonds shall be dated, as originally issued, and be registered as of June 1, 2003, shall each be in the denomination of \$5,000 or any integral multiple thereof of single maturities, provided that one bond with the stated maturity in 2004 shall be in the principal amount of \$6,000, shall mature on July 1 in the years and principal amounts set forth below, and Bonds maturing in such years and principal amounts shall bear interest from the date of original registration until paid or duly called for redemption at the rates per annum set forth opposite such years and amounts, respectively:

<u>Year</u>	<u>Principal Amount</u>	<u>Rate</u>	<u>Year</u>	<u>Principal Amount</u>	<u>Rate</u>
2004	\$56,000	2.250%	2012	\$ 80,000	3.700%
2005	60,000	2.250	2013	85,000	3.900
2006	60,000	2.250	2014	90,000	4.000
2007	65,000	2.400	2015	95,000	4.100
2008	65,000	2.700	2016	100,000	4.125
2009	70,000	2.900	2017	105,000	4.250
2010	75,000	3.200	2018	110,000	4.375
2011	80,000	3.400			

2.02. Interest Payment Dates. Interest on the Bonds shall be payable on each January 1 and July 1, commencing January 1, 2004, to the owners of record thereof as

such appear on the bond register at the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day. Upon the original delivery of the Bonds to the Purchaser and upon each subsequent transfer or exchange of a Bond pursuant to Section 2.04, the Registrar shall date each Bond as of the date of its authentication.

2.03. Method of Payment. The Bonds shall be issued only in fully registered form. The interest on and, upon surrender thereof at the principal office of the Registrar (as hereinafter defined), the principal of each Bond, shall be payable by check or draft drawn on the Registrar.

2.04. Registration. The City shall appoint, and shall maintain, a bond registrar, transfer agent and paying agent for the Bonds (the "Registrar"). This Section 2.04 shall establish a system of registration for the Bonds as defined in the Model Public Obligations Registration Act of Montana.

The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Bond Register. The Registrar shall keep at its principal office a bond register in which the Registrar shall provide for the registration of ownership of the Bonds and the registration of transfers and exchanges of the Bonds entitled to be registered, transferred or exchanged.

(b) Transfer. Upon surrender to the Registrar for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer of any Bond or portion thereof selected or called for redemption. No transfer or exchange of a Bond shall affect its order of registration for purposes of redemption pursuant to Section 2.05.

(c) Exchange. Whenever any Bond is surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount, interest rate and maturity, as requested by the registered owner or the owner's attorney duly authorized in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability of the City upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer of Bonds or exchange of Bonds (except an exchange upon a partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or such Bond has been called for redemption in accordance with its terms, it shall not be necessary to issue a new Bond prior to payment.

2.05. Initial Registrar. The City hereby appoints U.S. Bank National Association, of Seattle, Washington, as the initial Registrar for the Bonds. The City reserves the right to appoint a successor Registrar, and the City agrees to pay the reasonable and customary charges of the Registrar for the services performed. Upon merger or consolidation of a bank or trust company that is acting as the Registrar, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The City reserves the right to remove any Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall

deliver all cash and Bonds in its possession as Registrar to the successor Registrar and shall deliver the bond register to the successor Registrar. On or before each principal or interest due date, without further order of this Council, the Director of Administrative Services shall transmit to the Registrar, solely from money in the District Fund available therefor, moneys sufficient for the payment of all principal, premium, if any, and interest then due on the Bonds.

2.06. Redemption.

(a) Mandatory Redemption. If on any interest payment date there will be a balance in the Sinking Fund after payment of the principal and interest due on all Bonds drawn against it, either from the prepayment of special assessments levied in the Districts or from the transfer of surplus money from the Construction Subaccount to the Principal Subaccount as provided in Section 3.02 or otherwise, the Director of Administrative Services shall call for redemption on the interest payment date outstanding Bonds, or portions thereof, in an amount which, together with the interest thereon to the interest payment date, will equal the amount of such funds on deposit in the Sinking Fund on that date. The redemption price shall equal the amount of the principal amount of the Bonds to be redeemed plus interest accrued to the date of redemption.

(b) Optional Redemption. The Bonds are subject to redemption, in whole or in part, at the option of the City from sources of funds available therefor other than those described in Subsection (a) of this Section 2.06 on any interest payment date; provided, however, the Bonds shall not be called for redemption before July 1, 2008, from the proceeds of refunding special improvement district bonds or warrants. The redemption price shall equal the principal amount of the Bonds to be redeemed plus interest accrued to the date of redemption.

(c) Selection of Bonds for Redemption; Partial Redemption. If less than all of the Bonds are to be redeemed, Bonds shall be redeemed in order of the stated maturities thereof. If less than all Bonds of a stated maturity are to be redeemed, the Bonds of such maturity shall be selected for redemption in \$5,000 principal amounts selected by the Registrar by lot or other manner it deems fair, except that the Bond with a stated maturity in 2004 and in the principal amount of \$6,000 shall be redeemed before other Bonds of such stated maturity. Upon partial redemption of a Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount thereof outstanding.

(d) Notice and Effect of Redemption. The date of redemption shall be fixed by the Director of Administrative Services, who shall give notice to the Registrar no less than thirty-five (35) days prior to the date of redemption. The Registrar shall give notice by first class mail, postage prepaid to the owner or owners of such Bonds at their addresses appearing in the bond register, of the numbers of the Bonds or portions thereof to be redeemed and the date on which payment will be made, which date shall be not less than thirty (30) days after the date of mailing notice. On the date so fixed interest on the Bonds or portions thereof so redeemed shall cease.

2.07. Form. The Bonds shall be drawn in substantially the form set forth in Exhibit A hereto, and by this reference made a part hereof, with such modifications as are permitted by the Act.

2.08. Execution, Registration and Delivery. The Bonds shall be prepared under the direction of the Director of Administrative Services and shall be executed on behalf of the City by the signatures of the Mayor, the Director of Administrative Services and the City Clerk and sealed with the official seal of the City; provided that the signatures and the corporate seal may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution. The Bonds shall be registered in order of their serial numbers by the Registrar, as of June 1, 2003. When the Bonds have been so executed, authenticated and registered, they shall be delivered by the Registrar to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed. The Purchaser shall not be obligated to see to the application of the purchase price, but from the proceeds of the Bonds the Director of Administrative Services shall credit forthwith \$11,900 for SID No. 1349 and \$47,900 for SID 1354 to the Revolving Fund, as required by Section 7-12-4169(2) of the Act, any accrued interest to the Interest Subaccount in the Sinking Fund, and the balance of such proceeds to the Construction Subaccount in the respective District Accounts, in proportion to the principal amounts of the Bonds allocable to each of the Districts, as set forth in Section 1.06, to be used solely for the purposes described in Section 3.02.

2.09. Securities Depository for the Bonds.

For purposes of this Section 2.09, the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds the Bonds as securities depository.

“Representation Letter” shall mean the Blanket Issuer Letter of Representations from the City to DTC, attached to this resolution as Exhibit B (which is hereby incorporated by reference and made a part hereof).

The Bonds shall be initially issued as separately authenticated fully registered Bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC. The Registrar and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this Resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the City shall be affected by any notice to the contrary. Neither the Registrar nor the City shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other Person which is not shown on the Bond Register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this Resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with the Representation Letter, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No Person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

In the event the City determines to discontinue the bookentry only registration system, the City may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and the Registrar and discharging its responsibilities

with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

The Director of Administrative Services is hereby authorized and directed to execute and deliver to DTC the Representation Letter in the form attached as Exhibit C with such changes, omissions, insertions and revisions as the Director of Administrative Services of the City shall deem advisable, and execution of the Representation Letter by the Director of Administrative Services shall be conclusive evidence of such approval. The Representation Letter shall set forth certain matters with respect to, among other things, notices, consents and approvals by registered owners of the Bonds and Beneficial Owners and payments on the Bonds. The Registrar shall have the same rights with respect to its actions thereunder as it has with respect to its actions under this resolution.

In the event that any transfer or exchange of Bonds is permitted under paragraph 2.04(b) or 2.04(c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this Resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of Bond certificates and the method of payment of principal of and interest on such Bonds in the form of Bond certificates.

### Section 3. Sinking Fund; Assessments.

3.01. Sinking Fund. There is hereby created and established the Sinking Fund designated as the "2003C Pooled Special Improvement District Sinking Fund," which shall be maintained by the Director of Administrative Services on the books and records of the City separate and apart from all other funds of the City. Within the Sinking Fund there shall be maintained separate accounts for each of the Districts, designated accordingly (collectively, the "District Accounts"). Within each District Account there shall be maintained three separate subaccounts, designated as the "Construction Subaccount," "Principal Subaccount" and "Interest Subaccount", respectively.

3.02. Construction Subaccounts. There shall be credited to the Construction Subaccount in the District Accounts the proceeds of the sale of the Bonds attributable to the respective District as provided in Section 2.07. Any earnings on investment of money in a Construction Subaccount shall be retained therein. All costs and expenses of constructing the Improvements to be paid from proceeds of the Bonds in and for the benefit of a District shall be paid from time to time as incurred and allowed from the Construction Subaccount in the respective District Account in accordance with the provisions of applicable law, and money in the Construction Subaccount shall be used for no other purpose; provided that upon completion of the Improvements and after all claims and expenses with respect to the Improvements have been fully paid and satisfied, any money remaining in said Construction Subaccount shall be transferred to

the Principal Subaccount in the District Account for the District and used to redeem Bonds as provided in Section 3.03.

3.03. Principal Subaccounts and Interest Subaccounts. Money in the Principal Subaccounts and the Interest Subaccounts shall be used only for payment of the principal of and interest on the Bonds as such payments become due or to redeem Bonds. From the proceeds of the Bonds, there shall be deposited in the Interest Subaccounts any interest on the Bonds accrued to the date of their delivery, pro rata, in proportion to the principal amount of Bonds issued for such District as set forth in Section 1.06.

Upon collection of the installment of principal and interest due on November 30 and May 31 of each fiscal year on the special assessments to be levied with respect to the Improvements in each of the Districts, the Director of Administrative Services shall credit to the Interest Subaccount in the respective District Account so much of said special assessments as is collected as interest payment and the balance thereof to the Principal Subaccount. Any installment of any special assessment paid prior to its due date with interest accrued thereon to the next succeeding interest payment date shall be credited with respect to principal and interest payments in the same manner as other assessments are credited to the District Account. All money in the Interest Subaccount and the Principal Subaccount shall be used first to pay interest due, and any remaining money shall be used to pay Bonds then due and, if money is available, to redeem Bonds in accordance with Section 2.05; provided that any money transferred to a Principal Subaccount from the Construction Subaccount pursuant to Section 3.02 shall be applied to redeem Bonds to the extent possible on the next interest payment date for which notice of redemption may properly be given pursuant to Section 2.05. Redemption of Bonds shall be as provided in Section 2.05, and interest shall be paid as accrued thereon to the date of redemption, in accordance with the provisions of Section 7-12-4206 of the Act.

3.04. Loans from Revolving Fund. The Council shall annually or more often if necessary issue an order authorizing a loan or advance from the Revolving Fund to each of the District Accounts in an amount sufficient to make good any deficiency then existing in the Interest Subaccount in the District Account, and shall issue an order authorizing a loan or advance from the Revolving Fund to each of the District Accounts in an amount sufficient to make good any deficiency then existing in the Principal Subaccount of the District Account, in such order and in each case to the extent that money is available in the Revolving Fund. A deficiency shall be deemed to exist in a Principal Subaccount or an Interest Subaccount in a District Account if the money on deposit therein on any December 15 or June 15 (excluding amounts in the Principal Subaccount representing prepaid special assessments) is less than the amount necessary to pay Bonds due (other than upon redemption), and interest on all Bonds payable, on the next succeeding interest payment date.

Pursuant to Ordinance No. 1096, the City has undertaken and agreed to provide funds for the Revolving Fund by levying such tax or making such loan from the General Fund as authorized by Montana Code Annotated, Section 7-12-4222. The City has

created a Supplemental Revolving Fund. The City hereby agrees it will transfer amounts from the Supplemental Revolving Fund to the Revolving Fund to make advances or loans to each of the District Accounts to make good the deficiencies described in this section, in the event that amounts on hand in the Revolving Fund are not sufficient. Transfers to the Revolving Fund from the Supplemental Revolving Fund shall be deemed loans and are to be repaid as delinquent assessments payable to each of the District Accounts as collected. There is no obligation for the City to replenish or maintain the Supplemental Revolving Fund at any required level or amount. In the event that the balance on hand in the Revolving Fund, taking into account money on hand in the Supplemental Revolving Fund available for transfer to the Revolving Fund, fifteen days prior to any date when interest is due on special improvement district bonds or warrants of the City is not sufficient to make good all deficiencies then existing in the special improvement district funds for which the City has covenanted to make loans from the Revolving Fund, the balance on hand in the Revolving Fund shall be allocated to the funds of the special improvement districts in which such deficiencies then exist in proportion to the amounts of the deficiencies on the respective dates of receipt of such money, until all interest accrued on such special improvement district bonds or warrants of the City has been paid. On any date when all accrued interest on special improvement district bonds and warrants of the City payable from funds for which the City has covenanted to make loans from the Revolving Fund has been paid, any balance remaining in the Revolving Fund shall be lent or advanced to the special improvement district funds for payment and redemption of bonds to the extent the special improvement district funds are deficient for such purpose, and, if money in the Revolving Fund is insufficient therefor, pro rata, in an amount proportionate to the amount of such deficiency.

The City hereby determines, covenants and agrees to levy the property tax described in the immediately preceding paragraph to provide funds for the Revolving Fund so long as any Bonds are outstanding to the extent required under the provisions of this Resolution and the Act, even though such property tax levy may, under applicable law or provisions of the home rule charter of the City, require that property tax levies of the City for other purposes be reduced correspondingly.

Section 4. Covenants. The City covenants and agrees with the owners from time to time of each of the Bonds that until all the Bonds and interest thereon are fully paid:

4.01. Compliance with Resolution. The City will hold the Sinking Fund and the Revolving Fund as trust funds, separate and apart from all of its other funds, and the City, its officers and agents, will comply with all covenants and agreements contained in this resolution. The provisions hereinabove made with respect to the Sinking Fund and the Revolving Fund are in accordance with the undertaking and agreement of the City made in connection with the public offering of the Bonds and the sale of the Bonds as set forth in Section 1.06.

4.02. Construction of Improvements. The City will do all acts and things necessary to enforce the provisions of the construction contracts and bonds referred to

in Section 1.04 and to ensure the completion of the Improvements for the benefit of the Districts in accordance with the plans and specifications and within the time therein provided, and will pay all costs thereof promptly as incurred and allowed, out of the District Accounts and within the amount of the proceeds of the Bonds appropriated thereto.

4.03. Levy of Assessments. The City will do all acts and things necessary for the final and valid levy of special assessments upon all assessable real property within the boundaries of the Districts in accordance with the Constitution and laws of the State of Montana and the Constitution of the United States in an aggregate principal amount not less than the following amounts for each of the Districts:

<u>District No.</u>	<u>Principal Amount</u>
1349	\$238,000
1354	\$958,000

Such special assessments shall be levied on the basis or bases prescribed in the Resolutions of Intention and shall be payable in semiannual installments over a period of 15 years, each installment being due in an amount equal to one-thirtieth of the principal amount of each assessment, with interest on the whole amount remaining unpaid at an annual rate equal to the sum of: (i) the average annual interest rate borne by the Bonds, plus (ii) one-half of one percent (0.50%) per annum, interest being payable with principal installments. The assessments to be levied will be payable on the 30th day of November in each of the years 2003 through 2017, and on the 31st day of May in the years 2004 through 2018, inclusive, if not theretofore paid, and shall become delinquent on such date unless paid in full. The first partial payment of each assessment shall include interest on the entire assessment from the date of original registration of the Bonds to January 1, 2004, and each subsequent partial payment shall include interest for six months on that payment and the then remaining balance of the special assessment. The assessments shall constitute a lien upon and against the property against which they are made and levied, which lien may be extinguished only by payment of the assessment with all penalties, cost and interest as provided in Montana Code Annotated, Section 7-12-4191. No tax deed issued with respect to any lot or parcel of land shall operate as payment of any installment of the assessment thereon which is payable after the execution of such deed, and any tax deed so issued shall convey title subject only to the lien of said future installments, as provided in Montana Code Annotated, Section 15-18-214.

4.04. Reassessment. If at any time and for whatever reason any special assessment or tax herein agreed to be levied is held invalid, the City and this Council, its officers and employees, will take all steps necessary to correct the same and to reassess and re-levy the same, including the ordering of work, with the same force and effect as if made at the time provided by law, ordinance or resolution relating thereto, and will reassess and re-levy the same with the same force and effect as an original levy thereof, as authorized in Montana Code Annotated, Section 7-12-4186. Any special assessment, or reassessment or re-levy shall, so far as is practicable, be levied

and collected as it would have been if the first levy had been enforced including the levy and collection of any interest accrued on the first levy.

If proceeds of the Bonds, including investment income thereon, are applied to the redemption of such Bonds, as provided in Montana Code Annotated, Sections 7-12-4205 and 7-12-4206, or if refunding bonds are issued and the principal amount of the outstanding Bonds of the Districts is decreased or increased, the City will reduce or increase, respectively, the assessments levied in the respective Districts and then outstanding pro rata by the principal amount of such prepayment or the increment above or below the outstanding principal amount of bonds represented by the refunding bonds. The City and this Council, its officers and employees will reassess and re-levy such assessments, with the same effect as an original levy, in such reduced or increased amounts in accordance with the provisions of Montana Code Annotated, Sections 7-12-4176 through 7-12-4178.

4.05. Absence of Litigation. There is now no litigation pending or, to the best knowledge of the City, threatened questioning the validity or regularity of the creation of the Districts, the contracts for construction of the Improvements or the undertaking and agreement of the City to levy special assessments therefor and to make good any deficiency in the collection thereof through the levy of taxes for and the making of advances from the Revolving Fund, or the right and power of the City to issue the Bonds or in any manner questioning the existence of any condition precedent to the exercise of the City's powers in these matters. If any such litigation should be initiated or threatened, the City will forthwith notify in writing the Purchaser, and will furnish the Purchaser a copy of all documents, including pleadings, in connection with such litigation.

4.06. Waiver of Penalty and Interest. The City covenants not to waive the payment of penalty or interest on delinquent assessments levied on property in the Districts for costs of the Improvements, unless the City determines, by resolution of the City Council, that such waiver is in the best interest of the owners of the outstanding Bonds.

#### Section 5. Tax Matters.

5.01. Use of Improvements. The Improvements will be owned and operated by the City and available for use by members of the general public on a substantially equal basis. The City shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the Improvements or security for the payment of the Bonds which might cause the Bonds to be considered "private activity bonds" or "private loan bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code").

5.02. General Covenant. The City covenants and agrees with the owners from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes under the Code

and applicable Treasury Regulations (the “Regulations”), and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

5.03. Arbitrage Certification. The Mayor, the City Clerk and the Director of Administrative Services, being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds, it is reasonably expected that the proceeds of the Bonds will be used in a manner that would not cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and the Regulations.

5.04. Arbitrage Rebate. The City acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the Mayor, City Clerk and Director of Administrative Services are hereby authorized and directed to execute a Rebate Certificate, substantially in the form to be prepared by Bond Counsel, and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

5.05. Information Reporting. The City shall file with the Secretary of the Treasury, not later than August 15, 2003, a statement concerning the Bonds containing the information required by Section 149(e) of the Code.

Section 6. Authentication of Transcript. The officers of the City are hereby authorized and directed to furnish to the Purchaser and to bond counsel certified copies of all proceedings relating to the issuance of the Bonds and such other certificates and affidavits as may be required to show the right, power and authority of the City to issue the Bonds, and all statements contained in and shown by such instruments, including any heretofore furnished, shall constitute representations of the City as to the truth of the statements purported to be shown thereby.

#### Section 7. Discharge.

7.01. General. When the liability of the City on all Bonds issued under and secured by this resolution has been discharged as provided in this Section 7, all

pledges, covenants and other rights granted by this resolution to the owners of such obligations shall cease.

7.02. Payment. The City may discharge its liability with reference to any Bond or installment of interest thereon which is due on any date by on or before that date depositing with the Registrar funds sufficient, or, if a City officer is the Registrar, mailing to the registered owner of such Bond a check or draft in a sum sufficient and providing proceeds available, for the payment thereof in full; or if any Bond or installment of interest thereon shall not be paid when due, the City may nevertheless discharge its liability with reference thereto by depositing with the Registrar funds sufficient, or, if a City officer is the Registrar, by mailing to the registered owner thereof a check or draft in a sum sufficient and providing proceeds available, for the payment thereof in full with interest accrued to the date of such deposit or mailing.

7.03. Prepayment. The City may also discharge its obligations with respect to any Bonds called for redemption on any date when they are prepayable according to their terms, by on or before that date depositing with the Registrar funds sufficient, or, if a City officer is the Registrar, mailing to the registered owner of such Bond a check or a draft in a sum sufficient and providing proceeds available, for the payment of the principal, interest and redemption premium, if any, which are then due; provided that notice of such redemption has been duly given as provided herein or irrevocably provided for.

7.04. Escrow. The City may also at any time discharge its liability in its entirety with reference to the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without reinvestment, to provide funds sufficient to pay all principal and interest to become due on all Bonds on or before maturity or, if any Bond has been duly called for redemption or notice of such redemption has been irrevocably provided for, on or before the designated redemption date.

7.05. Irrevocable Deposits. If an officer of the City is the Registrar, any deposit made under this Section 7 with the Registrar shall be irrevocable and held for the benefit of the owners of Bonds in respect of which such deposits have been made.

## Section 8. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the "Rule"), which will enhance the marketability of the Bonds, the City hereby

makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds. The District Funds and the Revolving Fund of the City are the only "obligated persons" in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made.

If the City fails to comply with any provisions of this Section 8, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this Section 8, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this Section 8 constitute a default under the Bonds or under any other provision of this resolution.

As used in this Section 8, "Owner" or "Bondowner" means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any "Beneficial Owner" (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, "Beneficial Owner" means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The City will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the City, the following information at the following times:

If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (3) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations.

If the Disclosure Information is changed or this Section 8 is amended as permitted by this paragraph (b)(1) or subsection (d), then the City shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

As used herein, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a “Material Fact” is also an event that would be deemed “material” for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(d) Term; Amendments; Interpretation.

(1) The covenants of the City in this Section 8 shall remain in effect so long as any Bonds are Outstanding. Notwithstanding the preceding sentence, however, the obligations of the City under this Section 8 shall terminate and be without further effect as of any date on which the City delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the City to comply with the requirements of this Section 8 will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(2) This Section 8 (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided in paragraph (c)(3) hereof) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the City or the type of operations conducted by the City, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this Section 8 as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

(3) This Section 8 is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

(e) Further Limitation of Liability of City. In and to the extent the limitations of liability contained in subsection (a) are not effective, anything contained in

this Section 8 to the contrary notwithstanding, in making the agreements, provisions and covenants set forth in this Section 8, the City has not obligated itself except with respect to the assessments pledged to pay the Bonds and the covenant to utilize the Revolving Fund as permitted by law and described herein. None of the agreements or obligations of the City contained herein shall be construed to constitute an indebtedness of the City within the meaning of any constitutional or statutory provisions whatsoever or constitute a pledge of the general credit or taxing powers of the City.

Section 9. Repeals and Effective Date.

9.01. Repeal. All provisions of other resolutions and other actions and proceedings of the City and this Council that are in any way inconsistent with the terms and provisions of this resolution are repealed, amended and rescinded to the full extent necessary to give full force and effect to the provisions of this resolution.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: \_\_\_\_\_ DOLLARS

FOR VALUE RECEIVED, the City of Billings, Yellowstone County, Montana, will pay to the registered owner identified above, or registered assigns, on the maturity date specified above the principal amount specified above, solely from the revenues hereinafter specified, as authorized by Resolution No. 03-17982, adopted May 27, 2003 (the "Resolution"), all subject to the provisions hereinafter described relating to the redemption of this Bond before maturity. This Bond bears interest at the rate per annum specified above from the date of registration of this Bond, as expressed herein, or from such later date to which interest hereon has been paid or duly provided for, until the maturity date specified above or an earlier date on which this Bond shall have been duly called for redemption by the Director of Administrative Services. Interest on this Bond is payable semiannually, commencing January 1, 2004, on the 1st day of January and the 1st day of July in each year, to the owner of record of this Bond appearing as such in the bond register as of the close of business on the 15th day (whether or not such is a business day) of the immediately preceding month. Interest on and, upon presentation and surrender hereof at the operations center of the bond registrar and paying agent hereinafter named, the principal of this Bond are payable by check or draft of U.S. Bank National Association, as Bond Registrar, Transfer Agent and Paying Agent, at its operations center in St. Paul, Minnesota, or its successor designated under the Resolution (the "Registrar"). The principal of and interest on this Bond are payable in lawful money of the United States of America.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the City.

This Bond is one of an issue in the aggregate principal amount of \$1,196,000 (the "Bonds"), all of like date of original issue and tenor, except as to serial number, denomination, date, interest rate and maturity date. The Bonds are issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended (the "Act"), to finance the costs of certain local improvements (the "Improvements") for the special benefit of property located in the following Special Improvement Districts of the City: Special Improvement District Nos. 1349 and 1354 (collectively, the "Districts"). The Bonds are issuable only as fully registered bonds of single maturities in denominations of \$5,000 or any integral multiple thereof, provided that one bond with the stated maturity in 2004 shall be in the principal amount of \$6,000.

This Bond is payable from the collection of a special tax or assessment levied upon all assessable real property within the boundaries of the Districts, in an aggregate principal amount of not less than \$238,000 for Special Improvement District No. 1349 and \$958,000 for Special Improvement District No. 1354, except as such amounts may be reduced or increased in accordance with provisions of Montana law. Such assessments constitute a lien against the assessable real estate within the Districts, and the Bonds are not general obligations of the City.

The City has also validly established a Special Improvement District Revolving Fund (the "Revolving Fund") to secure the payment of certain of its special improvement district bonds, including the Bonds. The City has also agreed, to the extent permitted by the Act, to issue orders annually authorizing loans or advances from the Revolving Fund to the 2003C Pooled Special Improvement District Sinking Fund of the City (in which the district fund for each of the special improvement districts described in the title hereof constitutes an account) (the "Sinking Fund"), in amounts sufficient to make good any deficiency in the Sinking Fund to pay principal of or interest on the Bonds, to the extent that funds are available in the Revolving Fund, and to provide funds for the Revolving Fund by annually making a tax levy or loan from its general fund in an amount sufficient for that purpose, subject to the limitation that no such tax levy or loan may in any year cause the balance in the Revolving Fund to exceed five percent of the principal amount of the City's then outstanding special improvement district bonds secured thereby and the durational limitations specified in the Act. While any property tax levy to be made by the City to provide funds for the Revolving Fund is subject to levy limits under current law, the City has agreed in the Bond Resolution to levy property taxes to provide funds

for the Revolving Fund to the extent described in this paragraph and, if necessary, to reduce other property tax levies correspondingly to meet applicable levy limits.

The Bonds are subject to mandatory redemption in order of stated maturities and within a stated maturity in \$5,000 principal amounts selected by lot or other manner deemed fair by the Registrar, except that the Bond with a stated maturity in 2004 and in the principal amount of \$6,000 shall be redeemed before other Bonds of such stated maturity, on any interest payment date if, after paying all principal and interest then due on the Bonds, there are funds to the credit of the Sinking Fund, from the prepayment of assessments levied in the District or from surplus proceeds of the Bonds not required to pay costs of the Improvements, for the redemption thereof, and in the manner provided for the redemption of the same. The Bonds are subject to redemption at the option of the City from other sources of funds available therefor on any interest payment date; provided, however, that the City hereby agrees that the Bonds are not to be called for redemption before July 1, 2008, from the proceeds of refunding special improvement district bonds or warrants. The redemption price is equal to the principal amount of the Bonds or portions thereof to be redeemed plus interest accrued thereon to the date of redemption. The date of redemption shall be fixed by the Director of Administrative Services, who shall give notice by first class mail, postage prepaid, to the owner or owners of such Bonds at their addresses shown on the bond register, of the Bonds or portions thereof to be redeemed and the date on which payment will be made, which date shall not be less than thirty (30) days after the date of mailing of notice, on which date so fixed interest shall cease. On the date so fixed interest on the Bonds or portions thereof so redeemed shall cease to accrue. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

As provided in the Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the City at the principal office of the Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Bonds of other authorized denominations.
