■ MV THEFT	14	5	4		1	5	2	4	11
■ ROBBERY		1				2	1	3	1

Crime Rates (per 1,000)* Vs Crime Numbers

On the following six pages, the crime rate for each major offense category (robbery, residential burglary, DUI/AGG DUI, MV theft, assault and drugs) for November 2019 was calculated for each task force area. This is to provide a better idea of the actual crime rate based on the population of a task force area.

For example, in November, Pioneer Park had two assaults, several assaults less than Central Terry or the Heights. However, Pioneer Park is a small task force area and when it's smaller population size is considered, the assault rate is higher than that of Central Terry or the Heights.

*Take the crime rates with a grain of salt. Population counts for each task force area were estimated using US Census 2017 American Community Survey 5-year population estimates for block groups. These are population estimates using sample data (versus the decennial census, which is an actual count). Also, the census block groups do not match the boundaries of the task force areas creating an even larger margin of error for the population estimates in each task force area.

Assault Rate # Assaults

Burglary, Residence Rate **# Burglaries, Residence**

Drugs Rate # Drugs

■ DUI Rate ■ # DUI

MV Theft Rate # MV Theft

Robbery Rate # Robberies
